

# AUSTRALIAN CAPITAL TERRITORY (ACT) STATE MIGRATION PLAN OCCUPATION LIST February 2011

The ACT 'State Migration Plan (SMP) Occupation List identifies occupations that are in demand in Canberra. The occupations listed do not relate to a specific job vacancy, nor represent a guarantee of a job in a specific occupation. The applicant should understand that the ACT Government is **NOT** responsible for finding them employment, accommodation or for providing any form of financial assistance. Applicants must compete for positions with all people in the labour market as part of the normal selection process. Success will depend on employer requirements, relevant skills and experience and level of English ability.

## SMP Occupation List updates

The SMP Occupation List will be updated on a regular basis to show the current status of the skill demand against each occupation, as demonstrated below:

Closed	Nomination places are not available for this occupation.
Limited	Nomination places are limited. Occupations must be VERIFIED before the application for nomination is lodged.
Open	Nomination places are available for this occupation.

## VERIFICATION OF 'LIMITED' OCCUPATIONS

A 'limited' occupation indicates that the current ACT target for this occupation is almost met. Applicants seeking nomination of a 'limited' occupation **must** have the occupation verified by the SBM Unit **before** an application for nomination is lodged (see the [Nomination Guidelines](#) for further information).

## NOMINATION CRITERIA

Applicants should refer to the appropriate Department of Immigration and Citizenship (DIAC) criteria and [ACT Government Nomination guidelines to](#) ensure that specified criteria is met **before** submitting an application for nomination.

## CONDITIONS OF NOMINATION

Some occupations have 'conditions of nomination' listed against them which are in addition to the general criteria outlined in the [Nomination Guidelines](#).

## APPLYING FOR NOMINATION OF A SKILLED – SPONSORED SUBCLASS 176 / 886 VISA

Applicants must demonstrate that they meet the current application criteria. It is entirely at the discretion of the ACT Government whether an applicant is offered a nomination under the Skilled Migration program.
